

## FIRE SAFETY CERTIFICATE

This is certified that KV Hakimpet is located within Air Force Station Hakimpet parameter. In case of outbreak of fire in KV Hakimpet, the Air Force Station will provide TFFL services. The KV Hakimpet has adopted all fire safety measures. However, some additional things to be done at your own arrangements:-

1. The periodical maintenance of fire extinguishers kept at class rooms & other places inside the KV may be carried out.
2. Electrical load calculations of Offices, Class rooms, store rooms, etc, may be carried out.
3. No extra load to be given at any sockets / MCB's.
4. Cable discipline should be followed for laying of electrical / Communication / other wires and all the electrical switches must be switched off before leaving the rooms. No naked wires should be lying in the campus.
5. Class rooms may be earmarked for Special children in ground floor only.
